WALL MOUNT GARDEN HOSE

One Reel mounts TWO WAYS !!!!

**Rustproof
 Die-Cast
 Aluminum
 Construction**

Rugged, cast aluminum with stainless steel hardware and brass fittings provide unmatched durability for almost any application.

This stationary wall mount hose reel is designed to mount easily, blend in seamlessly and stand the test of time. Mounts to masonry or wood surfaces. Four mounting holes are drilled for 16" stud walls. Equipped with four stainless steel anchor bolts and lag screws, along with innovative wall plate design - making installation quick & easy.

PARALLEL MOUNT

Parallel Configuration

Parallel Action
 Hose pulls out parallel to (along) the wall, which is typically well suited for side wall mountings.

PERPENDICULAR MOUNT

Perpendicular Configuration

Perpendicular Action
 Hose pulls out perpendicular to (away from) the wall, which is typically well suited for back and front wall mountings.
