## VACUUM SURFACE CLEANER

Win quality business from competitors. Attract high paying corporate clients. Slash labor costs & time on the job. Avoid regulatory harassment & fines. Choose from several vacuum options. Our systems are **inexpensive...**

The SC-21v has a Closed Loop System revolutionary in environmental compliance and time saving technology. When the pressure cleaning and wash water control are done simultaneously... You have a net increase in work speed which quickly pays for the equipment!

**For the smart cleaning contractor, environmental compliance issues shouldn't be seen as a hassle but as a fantastic business opportunity.**
