PERFORMANCE VACUUM RECLAIM SYSTEMS

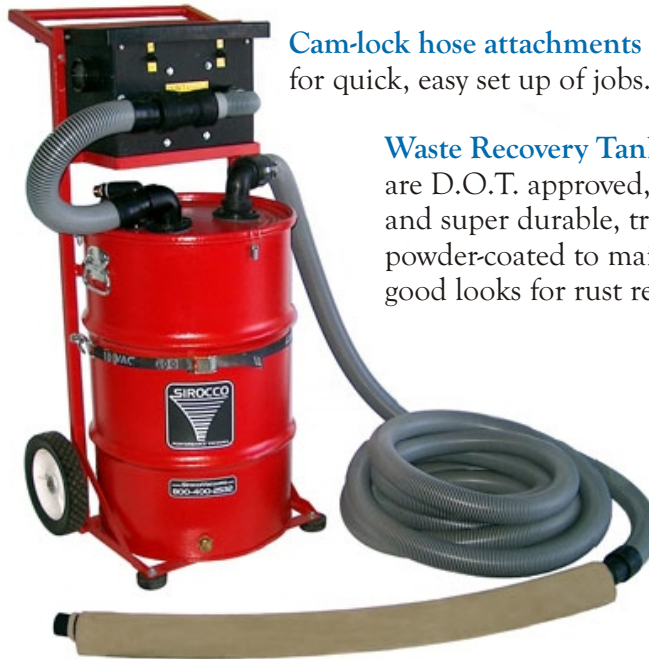

The PEV series vacuums are the most affordable, effective, multi-function vacuum systems on the market. Whether you're vacuuming a warehouse floor, or reclaiming wash water from a fleet-wash job on a parking lot, the PEV 3-stage vacuums will perform the job quickly and efficiently. It's all about **Work-Speed...** for the best possible profitability!

💧 **This is the most powerful machine made for 120 volts.**

With the convenience of the **Auto Pump-Out** feature you'll never have to stop working to

High capacity **Slide-In Filter** stops sand and larger debris, but also traps any floating oil!

Cart Frame is optional for portability on all terrain. Powder coated and Beefy! It has a **hose rack** on the back for up to 75 ft. hose, and **steel wheels** with tires that **don't go flat**.

Cam-lock hose attachments for quick, easy set up of jobs.

Waste Recovery Tanks are D.O.T. approved, and super durable, triple-step powder-coated to maintain their good looks for rust resistant life.

Our **super duty PVC hoses** have spiral reinforcement that are crush, abrasion and chemical resistant.

The patented **VacuBerm** is inexpensive, lightweight and very durable. It even picks up water on rough surfaces.
